THE WIRAN

SWAN HILL PRIMARY SCHOOL

From Our Principal

Mrs Hayley Doyle

This Friday we celebrate World Teachers' Day! We have an exceptional teacher team here at Swan Hill Primary School.

What makes the teacher team at SHPS so amazing?

- Their **dedication** to the profession – arriving early, leaving late, making sure plans are detailed and students are provided with **high quality education**.
- They don't count the hours – happy to operate with a **give and take approach** – always just get in and **get the job done!**
Volunteer their time to make our school the best it can be.
- Show a tremendous level of **support for each other** – encourage each other, help each other, look out for each other when one of the team is going through a challenging time.
- They are '**Champions of Positive Culture**' - remain positive, enthusiastic and calm, even when things are challenging.
- Show **care and empathy** toward students and their families.
- **Work hard** to build and maintain positive relationships with students, staff, parents and the school community.

We hope our teacher team have a wonderful World Teachers' Day!

We recently received our Staff Survey results, which are very positive. The levels of positive endorsement are higher than the 'Similar' and 'State' comparison groups. These high levels of positive endorsement, have been sustained for several years.

AIR MAIL

In Term 3, the Grade 3 students were lucky enough to get to meet Andy Griffiths on a video call where he launched his new book "The Land of Lost Things: Adventure Unlimited".

The students learnt all about how and why Andy became an author and got the chance to create their own "The Land of Lost Things" story. The students created their own adventure and drew a picture to bring their imaginations to life!

Andy Griffiths was running a competition in which the students could enter their creations to win a signed copy of his new novel for their school library.

3D entered their creations and WON a signed copy of "The Land of Lost Things: Adventure Unlimited"!

You can find this copy in the SHPS school library!

Protecting children & young people from abuse is our responsibility

Child Safe Standards...

To support child safety and wellbeing at Swan Hill Primary School, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through our whole school approach to Respectful Relationships, School Wide Positive Behaviour Support (SWPBS) framework, our Student Engagement and Wellbeing Policy and our school values.

We inform students of their rights through our whole school approach to Respectful Relationships and The Daniel Morcombe Foundation Curriculum, and give them the

skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time

The Daniel Morcombe Foundation was established in honour of Daniel Morcombe to make Australia a safer place for children.

It was founded by parents Bruce and Denise after their son was abducted and murdered in December 2003 while waiting to catch a bus on the Sunshine Coast, Queensland. The aims of the Foundation are to educate children and young people about how to stay safe in physical and online environments and to support young victims of crime.

Day for Daniel is Australia's largest day of action to raise awareness of child safety, protection, and harm prevention. Held annually on the last Friday of October, Day for Daniel honours the memory of Daniel Morcombe.

Swan Hill Primary School is proudly supporting this day to educate and empower our students, and help support our school community to understand that **keeping kids safe is everyone's responsibility.**
